Exceed Bonus Acquisition condition

◎ Annual results from November to October (including October results for the first year)
◎ During the 1 year (November to October of the following year), 4 is for members who have achieved Active for more than 10 months including consecutive months. (Payments are deducted for non-active periods)
* Please note that special measures are not accepted at all because calculations are based on a special system.
◎ Points that accumulate for one year after registration are eligible. After one year, cumulative from the following year based on the achievement qualification
(Example V-1 achieved, completed at 425,010P → 425,000P-Start the following year)
(Example v-2 achieved 2,000,000P to end → 1,000,000P to Start the following year)
However, if the status of Non-Active continues for more than 4 months, the accumulated points will be deleted and restart from 0P unless there is a reason for TRIPLE approval.
◎ Eligible qualifiers have their lower qualifications.

Target Point
Compare the maximum series point and the total point of the other series with the above table.
The target points are the points attached to registration and the points attached to products and services.

Rights and eligibility

Annual Bonus

For Reach Trainer registered members (including Iron Owner)

For members who have achieved Active for more than 10 months, including 4 consecutive months, for one year (November to October of the following year).
* Please note that special measures are not accepted at all because calculations are based on a special system.

All members including registrants from 2019 to October 2019 will be calculated according to the following conditions.

For members who have achieved Active for more than 10 months during one year
(November to October of the following year).
